

# HID FARGO® HDP5600 Kiosk Consumables

## HID Global provides a variety of consumables and accessories to optimize the performance of your HID FARGO HDP5600 Kiosk printer/encoder

- **HDP® Ribbons and HDP Film:** High Definition Printing® (HDP) ribbons and HDP Film combine to produce durable and tamper resistant cards with crisp 600 dpi or 300 dpi images – even on the surface of technology cards.
- **Cards:** Graphics-quality UltraCard™ cards feature polished, scratch- and debris-reduced surfaces to optimize the quality of your printed images.
- **Cleaning Kits:** Printhead cleaning swabs, interior cleaning cards and interior/exterior cleaning pads facilitate optimal print quality and ensure your printer is clear of dust, debris and build-up that can degrade printer performance over time.

### HID FARGO Ribbon Consumables for the HID FARGO HDP5600 Kiosk Printer

| ** Part Number | Description and Yield                                                                                                                                 | Application                                                                                                                                                                                                                                 |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 084510         | YMC*: Full-color, 750 images                                                                                                                          | Photo-accurate color prints, visual recognition                                                                                                                                                                                             |
| 084511         | YMCK*: Full-color with resin black, 500 images                                                                                                        | Photo-accurate color prints, visual recognition                                                                                                                                                                                             |
| 084512         | YMCKK*: Full-color with two resin black panels, 500 images                                                                                            | Photo-accurate, full color on front, black text and/or barcodes on back                                                                                                                                                                     |
| 084513         | YMCKH*: Full-color with resin black and heat seal panel, 500 images                                                                                   | Additional heat seal panel allows for color printing on difficult-to-print card surfaces such as clamshell proximity cards                                                                                                                  |
| 084514         | YMCFK*: Full-color with resin black and dye-based, fluorescing panels, 500 images                                                                     | UV fluorescent ink panel can create a personalized layer of security only visible under UV light                                                                                                                                            |
| 084515         | YMCKI*: Full-color with resin black and inhibit panel, 500 images                                                                                     | I panel allows printing to cards with non-print areas such as surface foils or signature panels                                                                                                                                             |
| 084516         | YMCK* Half-Panel: Half-panel color ribbon with a full resin black panel, 1000 images                                                                  | Half-panel, photo-accurate color prints, visual recognition. Pairs well with pre-printed cards that require limited personalization.                                                                                                        |
| 084517         | YMCKK* Half-Panel: Half-panel color ribbon with two full resin black panels for producing cards with full-color front and black only back, 750 images | Half-panel, photo-accurate, full color on front, black text or barcodes on back. Pairs well with pre-printed cards that require limited personalization.                                                                                    |
| 084518         | Premium Resin Black, K*, 3000 images                                                                                                                  | Bar codes, text, serial numbers, bold graphics                                                                                                                                                                                              |
| 084519         | YMCKIKI*: Full-color ribbon with two resin black and inhibit panels, produces 400 cards with YMCKI on front and KI on back                            | K panels allow for bar codes, text, serial numbers, bold graphics on the front and back of the card while I panels allow printing to cards with non-print areas such as surface foils or signature panels on the front and back of the card |

## HID FARGO Cleaning Materials for the HID FARGO HDP5600 Kiosk Printer

HID Global recommends cleaning your FARGO HDP5600 printer every 3000 cards to ensure the best performance and to maintain long-term printer reliability.

|               |                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------|
| <b>089200</b> | Cleaning Kit - Includes 4 Printhead Cleaning Swabs, 10 Cleaning Cards, 10 Cleaning Pads and 3 Alcohol Cleaning Cards |
| <b>086004</b> | Cleaning Rollers - 10 Pack                                                                                           |
| <b>086131</b> | Extra Cleaning Cards (double sided), 50 count                                                                        |
| <b>082133</b> | Iso-Propyl Alcohol Cleaning Cards - 10 pack                                                                          |
| <b>081760</b> | Extra Cleaning Cards, 50 count                                                                                       |

- \* Indicates the ribbon type and the number of ribbon panels printed where Y=Yellow, M=Magenta, C=Cyan, K=Resin Black, I=Inhibit, F=Fluorescing, H=Heat Seal
- \*\* Part numbers may vary by region. Please contact your dealer, integrator, or HID Sales Associate for regional part numbers.
- \*\*\* For information on additional accessories, please contact your dealer, integrator, or HID Sales Associate.

FARGO Card Printer/Encoders require highly specialized media to function properly. To maximize printed card quality and durability, printhead life and printer/encoder reliability, use only HID FARGO Consumables. HID warranties are void, where not prohibited by law, when non-HID Consumables are used.
