HDP6600

UPTrade Value

\$150/200

Only the HID FARGO HDP6600 prints up to **230 cards per hour** and offer such a comprehensive feature set that includes:

- Patent-pending iON technology for unparalleled printer readiness and intelligent temperature control
- Retransfer-based wasteless lamination
- Simultaneous print and retransfer
- GreenCircle® certified energy savings
- A comprehensive set of innovative options not available elsewhere

Built on six generations of proven retransfer technology over the last 20 years, the HID FARGO HDP6600 from HID Global® combines innovative, never-seen-before features and patent-pending iON™ technology with unprecedented print speeds — making it the most advanced, efficient, and fastest desktop-based retransfer printer available on the market today.

PROGRAM DETAILS:

Qualifying UPTrade Printers: All old FARGO card printers as well as any dye sublimation or reverse transfer card printer from other manufacturers. Final determination of qualifying printers is at the sole discretion of HID.

The HID Partner must complete the credit/RMA form and submit it with the new printer purchase order. This form acts as your RMA request to return your customer's existing printer. Credit will be applied once the new printer has been shipped and the old printer has been returned to HID's office, with proper RMA identification and if needed, end-user validation. Please allow up to three weeks for credit to be applied to your account after the return printer has been shipped to HID.

- This UPTrade program is effective from August 15, 2023 until November 15, 2023 and ship before December 15, 2023
- UPTrade credit will be issued to your account once the traded-out printer has been received and the new printer has shipped
- Special quotes or bids are not eligible for UPTrade credit
- May not be combined with any other offer
- HID Global reserves the right to cancel the HID FARGO printer UPTrade program at any time without advance notice
- Trade-in value towards HDP6600 single or dual-sided printer, \$150 or \$200
