

HID TripTick™ Halo Reader Series

HID TripTick™ Halo readers include high performance barcode/QR code reading with optional RFID/NFC reading capability.

TripTick Halo 200	TripTick Halo 210
1D/2D Barcode Reader	1D/2D Barcode & RFID/NFC Reader
	

KEY BENEFITS

- **High speed barcode reading:** Optimized imaging ensures read reliability and speed in capturing and decoding all popular linear, PDF417 and 2D symbologies of barcode when presented at multiple angles
- **Clear operational feedback:** Fixed-tone audio beeper (enabled or disabled) and bright, multi-colored RGB peripheral light strip (user definable) confirm status of data capture
- **Easy to use:** Barcode tickets and smart cards are presented to the same, single touchpoint
- **Reduced maintenance costs:** Rated IP54, with a ruggedized construction and without moving parts enables long-term use and reliability
- **Efficient integration & installation:** Single cable to host with multiple connection options and pole, surface or desk mounting options
